Harris Beach is among the country's top law firms as ranked by *The National Law Journal* and is among the 2017 BTI Elite law firms based on in-depth interviews of more than 600 corporate counsel at the world's largest and most influential companies. Our clients include Fortune 100 corporations, privately-held companies, emerging businesses, public sector entities, not-for-profit organizations and individuals. Principal industries we represent include education, energy, financial, food and beverage, health care, insurance, manufacturing, medical and life sciences, real estate developers, and state and local governments and authorities.

Our reach is not limited by our brick and mortar locations. We mobilize professionals with the best-suited experience to serve clients where they need us, whether regionally, nationally or internationally. While Harris Beach has a strong office presence throughout New York state and the tristate area, our capabilities extend far beyond. Many of our practices are national in scope. The firm also has a network of regional firms across the county to draw upon. We serve the needs of many foreign companies with their investments across the U.S., including mergers and acquisitions of U.S. entities. For clients making international investments or seeking intellectual property protections, we can access a large international network of law firms we routinely work with and know we can rely upon.

Through the strategic application of our resources, relationships, legal experience and consulting expertise, we build the right team to get the job done for our clients – efficiently and cost-effectively. Every person at Harris Beach is committed to being accessible, productive, responsive and technologically sophisticated to provide the utmost value to our clients.
