Mary Malone McCarthy is founder and CEO of [M3 Placement & Partnership](#), a national executive search, talent acquisition, and strategic HR firm. As CEO she has led the organization to significant growth through the team's focus on building strong partnerships with a shared services approach and a passion for exceptional service. Prior to founding M3, Mary Malone spent over 15 years as Senior Vice President at Northland Communications, responsible for the oversight of Human Resources, Marketing and Client Relations for the organization.

Mary Malone is committed to donating her time to a variety of community organizations. While residing in the Central New York, Mary Malone served as a Director for Mohawk Valley EDGE, a not-for-profit organization dedicated to strengthening and growing the economy of the Mohawk Valley. Mary Malone served as a trustee with Mohawk Valley Community College and active on several committees. She previously served on multiple boards, including the United Way, and past campaign chair along with the Stanley Center for the Arts, VIEW Art Center, Slocum Dickson Foundation, and Mohawk Valley Chamber of Commerce. Most recently she served on the Mohawk Valley Health Systems Foundation board/executive committee as well as the steering committee for Mohawk Valley Health System and hospital being built Upstate NY. She was a founding leader of the Women's Giving Circle raising funds for underserved women's needs and the Young Leaders United, a key instrument for recruiting young leadership donors for the United Way.

Mary Malone is a founding member of the Senior Leader Network for Conscious Capitalism. She is currently actively involved with Upstate Venture Connect (UVC) a non-profit that provides thought-leadership, intelligence, and networking opportunities for founders building world class businesses in Upstate NY.

Mary Malone is a graduate of Wells College and has a passion for mentoring others and giving back to the community she is a part of. When not working with her team and clients, Mary Malone enjoys spending time in the Adirondacks with her family.
